

# WHAT IS IAEG® ?

FOUNDED IN 2011

11 FOUNDING MEMBERS

A NONPROFIT ORGANIZATION OF AEROSPACE AND DEFENCE COMPANIES CREATED TO COLLABORATE ON AND SHARE INNOVATIVE ENVIRONMENTAL SOLUTIONS

## SUBSTANCE REGULATION

Regulatory watch

Creation of the aerospace and defence declarable substance list (AD-DSL) and promotion of IPC 1754, a comprehensive new voluntary standard for sharing product substance data that works in conjunction with the AD-DSL

Collaboration on REACH authorization and replacement technologies

Creation of educational materials on the Toxic Substances Control Act inventory notification and 2018 REACH registration

## ENVIRONMENTAL SUSTAINABILITY

Publication of a WRI endorsed guide on greenhouse gas reporting

Creation of a new environmental sustainability survey for the industry

Greenhouse Gases reporting for the aerospace and defence industry

## SUPPLY CHAIN RISK

Collaboration on mitigation of increasing supply chain risk due to environmental regulations

Creation of a best practices document on the transition to ISO 14001:2015

Good practices sharing supporting the aerospace and defence supply chain environmental performance improvement

Identification of actions IAEG can take to mitigate the impact that Brexit may have on its members

## WHY JOIN IAEG?

- To get involved in a network comprised of over 50 aerospace and defence companies.
- To ensure industry solutions address unique aerospace and defence industry issues.
- To access information developed on substance regulation, including comprehensive educational materials.
- To access up-to-date information regarding upcoming environmental regulations.
- To benefit from sharing good practices and environmental solutions.
- To minimize your administrative burdens and compliance costs.

Ease your path toward environmental performance improvement!

Join us!

### IAEG Membership

IAEG Members as of September 20, 2018

#### IAEG Founding Members

- Airbus
- Boeing
- Bombardier Aerospace
- Dassault Aviation
- Embraer
- GE Aviation
- Northrop Grumman
- Rolls-Royce
- SAFRAN
- United Technologies Corporation (UTC)

#### IAEG Full Members

- Arconic
- ASCO Industries
- BAE Systems
- Cobham plc
- Gulfstream
- Harris Corp
- Honda Aircraft Company, LLC
- Honeywell
- Huntsman Advanced Materials
- Israel Aerospace Industry, Ltd.
- Lockheed Martin
- Meggitt PLC
- Mitsubishi Aircraft Co.
- Raytheon
- Rockwell Collins
- SAAB AB
- Spirit AeroSystems
- Textron Aviation
- Thales
- 3M Deutschland GmbH

#### IAEG Liaison Members

- Airbus Defence & Space
- Airbus Helicopters
- Assent Compliance Inc.
- Bergeson & Campbell, PC
- Dassault Systemes Enovia Corp
- DXC.technology
- ERM, Inc.
- Granta Design Ltd.
- Hangsterfer's Laboratories Inc.
- National Quality Assurance
- Papros, Inc.
- Ramboll Environment and Health
- SAFECHEM Europe GmbH
- Souriau SAS
- SR Technics Switzerland Ltd.
- SurTec International GmbH
- Tetra Tech Inc.
- Zaki Surface Treatment Consulting
